5. Budget Review and final draft
Lisa Donaldson, FAC, (Former Rec Committee member) joined our meeting and contributed insight to the 2022-23 Recreation Committee Budget. Lisa explained the town operates on a zero base budget. Since the Rec Committee only reconvened in November, we will use the past events as a guide to create and update town events for the upcoming year.
Some Suggestions from Lisa:
 - a. Add Pickleball lines to the current tennis courts to increase the use of the court. While this may not happen in the upcoming year's budget, PickleBall lines can be taped down. Also, consider the needs if this activity was added. Collaboration with the TOPMB would be needed to have the lines added.
 - b. The final draft budget is due to the town by the end of March.
 - c. A Budget Workshop is needed to review our upcoming year and the rest of this year. The meeting will take place on March 10, 2022, 6PM at Town Hall. Aria will provide the Zoom link.
